will co-operate with

LYCEE ELISA LEMONNIER
20 AVENUE ARMAND ROUSSEAU
Paris, France

in a reciprocal transnational project, submitted in 2020, within the framework of the Erasmus+ Mobility Programme, entitled:

“Professional project experience through mobility - EriP”.

The cooperation assumes the following specialties: sales assistant for clothing and dressmaker/tailor.

The Parties confirm to undertake the responsibility for the following parts of the project:

- Assisting in arranging accommodation for visiting students and teachers
- Assisting in arranging work placements / training periods / job shadowing
- Assisting in monitoring and evaluating work placements / training periods / job shadowing
- Assisting in organising local transport, when needed
- Cooperating in evaluating the project
- Spreading the results of the project

Sending school will finance the costs of students mobility, transportation, insurance, accommodation and local transport, as well as linguistic and cultural preparation.

Date: 31.01.2020
